Disclosure and Acknowledgment Concerning Workers’ Compensation

This will acknowledge that is solicitation of my business insurance, the agent named below (herein referred to as the “Agent”) explained to me the following facts about the Texas Workers’ Compensation Act (the “Act”). The following facts were discussed, and as an employer, I am aware of their importance. To my knowledge, no statements contrary to the following statements were made by the Agent to anyone employed by, or representing, the employer.

- 1. Workers’ Compensation Insurance is a “No Fault” system that affords coverage for my employees and protection for me, which no alternative insurance plan can duplicate.
- 2. It is my responsibility, should I elect not to purchase Workers’ Compensation Insurance, to notify the TEXAS WORKERS’ COMPENSATION COMMISSION (TWCC) at the time of such election by filing the appropriate form (currently the TWCC FORM 5). I must also annually file the appropriate form (currently the TWCC FORM 5) with the TWCC on the anniversary date of the original filing or if I have canceled my workers’ compensation policy, on the anniversary of the cancellation date of the workers’ compensation policy. I am aware the penalty for failure to properly file can be as much as \$500 per day. I also must notify my workers’ compensation carrier, in the manner provided by the law, at the time of my election. All notices and elections must be made by certified mail, return receipt requested.
- 3. Agent has advised me that if I become a “non-subscriber” under the Act, I should seek the advice of competent legal counsel in meetings the provisions of the Act. Agent has advised me to seek legal advise for the current law as it applies to my situation.
- 4. I am aware that as a non-subscriber, should I purchase an “alternative” insurance product that provides injury medical benefits for my employees, I come under the Employee Retirement Income Security Act of 1974 (ERISA). It is in my best interest to have a written employee injury benefit plan, and to file this plan under ERISA with the U.S. Department of Labor. Such insurance and plan do not preempt a personal injury negligence lawsuit.
- 5. I understand that an approved safety plan is required for coverage to become effective and continue in force. Agent has advised me that a workplace safety program could help reduce the frequency and severity of on-the-job injuries and could also help us meet our responsibility to provide a “reasonably safe place to work” for our employees.

Agent has shown me an alternative workplace injury insurance plan. I acknowledge the option I have selected is solely my choice and the alternative plan I have chosen was NOT represented by Agent to any person being a substitute for statutory workers’ compensation insurance. Agent did not induce me or any representative of my company to reject Workers’ Compensation.

THIS IS NOT A POLICY OF WORKERS’ COMPENSATION INSURANCE. THE EMPLOYER DOES NOT BECOME A NON-SUBSCRIBER TO THE WORKERS’ COMPENSATION SYSTEM BY PURCHASINF THIS POLICY, AND IF THE EMPLOYER IS A NON-SUSCRIBER, THE EMPLOYER LOSES THOSE BENEFITS WHISH SHOULD OTHERWISE ACCRUE UNDER WORKERS’ COMPENSATION LAWS. THE EMPLOYER MUST COMPLY WITH THE WORKERS’ COMPENSATION LAW AS IT PERTAINS TO NON-SUBSCRIBERS AND THE REQUIRED NOTIFICATIONS THAT MUST BE FILED AND POSTED.

I have read the above and acknowledge that Agent has discussed each of these items with me.
